WEEKLY REFLECTION

No farmer in his right mind would just scatter seed everywhere. He would make sure the soil was good and would provide the seed with every chance to grow. But that is not how God works. God gives his love and grace freely to everyone. We don't earn it. We may not even be ready to receive it, but it is given to us anyway. If God is so generous with us, what does that say about how we should treat others?

*(My word) shall not return to me void,
but shall do my will,*

achieving the end for which I sent it.

Isaiah 55:11

LA SAGRADA FAMILIA

Today we have Tina Rende with us to talk about La Sagrada Familia, in the Dominican Republic, our archdiocesan sister parish. She will tell us how our contributions are making a difference in the lives of the people there. Envelopes are available for contributions. Please be generous.

PARKING LOT CONSTRUCTION

What's been going on? The lower section of the parking lot has deteriorated and is being rebuilt. As part of this project, we are also redoing the school electrical service from overhead to underground. We anticipate that the project will be completed by the end of July. During the process there may be times when the only access to the main parking lot will be from Westwood Drive. Thank you for understanding.

IN LOVING MEMORY

Our sympathy and prayers to the families of Mary Fojtik and Arnold Brantner who passed away this past week and to Tom Siefert and family on the death of his mother, Lucille Siefert.

Dear Parishioners,

A friend of mine took her watch to the jeweler for a new watchband. When she handed him the watch he looked at it and said, "You're just a little off." How true she thought. She came for a watchband and got a homily – a homilette – on life. Dear people, we are all a little off. It's called Original Sin. Taken away in baptism its remnants plague us throughout life, like the mosquitoes and floods this summer just brought along with it. Another friend here in Racine said this to me: "People reach a point of spiritual progress and then they stagnate and go no further and often backslide. The reason is they do not go to confession regularly." There it is. We're all a little off.
