**PRAY TO END ABORTION**

“It is a poverty to decide that a child must die so that you may live as you wish.”

*Mother Teresa of Calcutta*

**Dear Parishioners**

I take this opportunity to thank all those involved in planning and carrying out the very fine parish celebration in conjunction with the August 15th Feast of the Assumption of the Blessed Virgin Mary. Our first building, the old combination church/school building was dedicated on August 6, 1916, the Feast of the Transfiguration of Our Lord. From very early times in our history the celebration of the two feast days were linked. And so it will be as we begin the five year countdown to our centennial. Every year I have gently mentioned that it would be nice to use our woods. The proximity of the Haban Hall facility can make it possible for the picnic in the park as it did this year for Louise William's wonderful parish history display and some use of the kitchen. Thank you all for making our annual celebration as nice as can be. St. Joseph Parish will be having its annual festival in September what some members refer to as "our backyard festival." They have events on three days. I would suggest that some of our committee make it a point to attend and see how they do things. Collaboration takes a lot of forms.

**WEEKLY REFLECTIONS**

God's ways are not our ways and yet so often we insist we know what God wants. How often have you heard it said that someone is going to hell for what they have done? That is a human judgment and not necessarily God's. God has given each of us a free will and abundant resources (scripture, nature, other people) to understand how we should live. Each of us has our own path and it is not our place to impose our path on others. The Spirit is a work, even through our mistakes. We need to focus on following our path and allow the Spirit to guide others.

*Your kindness, O Lord, endures forever;  
Forsake not the work of your hands.*
